Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions. All druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

SHE WAS ALMOST A NERVOUS WRECK

Covington Woman Says Tanlac Has
Made a New Woman of Her.
Can't Praise It Enough

"I can recommend Tanlac with all my heart," said Mrs. Susie Medaris, of 226 West Fourteenth street, Covington, Ky., for since taking the medicine I am enjoying just wonderful health and strength. For nearly a year I was almost a nervous wreck. I lost my appetite so completely that I had no desire whatever for food. I felt tired and worn out all the time and seemed to be losing all the energy I ever had. Of all troubles I think nervousness must be the worst, for I never had anything before to give me half the worry and so completely rob life of all its pleasures.

"From the testimonials I saw where lots of people had been relieved of their nervousness and that gave me heart to try it. It took hold of my condition almost at once and built me right up. In almost no time I began to relish my meals and regain my strength. 'Now I am full of energy, perfectly healthy and life is once more a pleasure to me. In fact Tanlac has truly made me a new woman and I can never praise it enough.'"

Tanlac is sold in Paris at the People's Pharmacy. (adv)

ALARMISTS ARE TRAITORS. SLACKERS, SAYS BISHOP

"We are blaming many things upon the war for which the war was not responsible at all," said Bishop Chas. E. Woodcock in a talk at the Louisville Exchange Club luncheon. "It is mainly the slackers and loafers who are talking about the war. The great unrest of to-day is not a longing for the fleshpots of Egypt, but is merely a great hunger for expression. The worst pessimist and traitor is the man who believes his own age the worst. Our age is far from being the worst."

CONFEDERATE PENSIONS ARE SUBJECT TO TAX.

According to information received in Louisville, by Internal Revenue Collector Elwood Hamilton, in a ruling received from the Commissioner of Internal Revenue at Washington, pensions are taxable under the income tax laws. Inquiries received by Mr. Hamilton from Confederate veterans and their dependents was the cause of the rulings. The new ruling affects a number of pensioners, both Confederate and Union, in Paris and Bourbon county.

BAD BREATH

Dr. Edwards' Olive Tablets Get
at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects. Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 15c and 30c.

Some FACTS About

Ford
THE UNIVERSAL CAR

Here are authentic figures from the Ford factory at Detroit. They show you just how many Ford cars and trucks have been built each month since January 1, 1921, and how many have been sold to retail customers, in the United States.

	Produced	Delivered to Retail Customers
JANUARY	29,883	57,208
FEBRUARY	35,305	63,603
MARCH	61,886	87,221
Total Production	127,074	Total Retail Sales 208,032

showing that actual sales for the first three months of 1921 exceeded production by 80,958 Ford cars and trucks!

April requisitions already specify 107,719 additional cars and trucks and the estimated April output of the factory and assembling plants combined calls for only 90,000!

These facts clearly show that the demand for Ford products is growing much faster than manufacturing facilities to produce and were it not for the dealers' limited stocks, which are now being rapidly depleted, many more customers would have been compelled to wait for their cars. It will be only a matter of weeks, therefore, until a big surplus of orders will prevent anything like prompt deliveries.

If you would be sure of having your Ford car or truck when you want it, you should place your order now. Don't delay. Phone us or drop us a card.
